

In the Specification:

Please replace the paragraph at page 5, lines 17-20 of the specification (paragraph [0022] of the published application) with the following amended paragraph:

The chainring [(D)] (15) and the cranks (16) are mounted to the frame in any desired fashion and at any desired position. The rear wheel (18) can be folded by turning it together with the chain stays (17) around the pivot (19), which is placed on the frame (1), between the chainring (15) and the rear wheel (18).
